10) You will be automatically re-directed to your Group Management page where you will see your registered delegate/s. By clicking on their name this will provide a dropdown of the individual's registration information. Please repeat the process till all attendees are registered.

When you have completed all registrations, you will need to *'finalise your group'* by selecting the option **"Complete"** and the bottom of the page.

The screenshot shows the 'Group Management' interface with the 'Personal' tab selected. The 'Register Delegate' section includes an email input field and a 'Register' button. The 'Delegates' section lists two delegates: 'Danielle AFAC' and 'Danielle Test 1'. The 'Danielle AFAC' entry shows registration details for 'AFAC & BNH CRC 1 Day Research Forum + 2 Day Conference Registration (3 days) - Member Earlybird Rate AUD1370.00' and includes '1 x Included Conference Dinner Ticket AUD0.00'. There are 'Manage' and 'Manage Abstracts' buttons for each delegate. At the bottom, the 'Finalise your group' section contains a 'Complete' button highlighted with a red box. A light blue box below it states: 'After finalising you will be able to add more delegates if you wish however you will not be able to edit your own registration.'

One last point to make, if you yourself will be attending the 2015 AFAC & BNHCRC Conference you will need to register yourself through the *'Personal'* tab located next to your *'Group'* tab. Please select **"Register"**.

This screenshot shows the 'Group Management' interface with the 'Personal' tab selected. A red arrow points from the 'Group' tab to the 'Personal' tab. The 'Registration' section displays the text: 'You currently do not have a **registration** for this event.' and a 'Register' button.
